S

Capri

The Capri's classic Colonial button-back design is enhanced by a slightly firmer lumbar support area. Its arms offer a wider, more rounded design for extra comfort and stability. A truly sensible lift/recliner, the Capri combines dependability with long-lasting comfort and style.

Sizes may vary depending on fabric, filling material, upholstery and carpet thickness. All measurements taken on concrete floor using levels and metal rulers.

### Golden Craftsmanship

Each luxury lift & recline chair is hand crafted in our facility using decades of motion furniture experience.

## Added Comfort and Safety

Designed to perform year after year using advanced technology backed by the best warranty.

#### **Smart Engineering**

Smooth, quiet lifting system offers a secure lift for the best performance.

Battery Backup System

Batteries not included. Battery Backup System is designed to bring the chair from the reclined to the seated position in the event of a power outage.

**Battery Backup System** 

#### Smart Tek

In the event of a malfunction, our patented SmartTek™ diagnostic system enables you to get your lift chair up and running quickly.

Literature is current at time of printing Golden Technologies reserves the right to make changes to the product or literature at any time.
