Oasis - 26"W x 51.25"L x 37.5"H

For many Americans, bathing is regarded as a private experience – much deserved “me time” if you will. Enter the Oasis – the walk in bathtub with your privacy in mind. Enjoy an opaque stainless steel door, petite size seat, and easy access to controls without leaving your comfort zone.

Kai - 29.5"W x 51"L x 42.5"H

Heralded with rectangular doors of varying shapes and sizes, many of today’s walk in bathtubs have a more or less similar look. Ella’s Bubbles introduced a rounded, inward-swing door and in so doing re-shaped the playing field. With the Kai, we offer a well-equipped walk in bathtub, with a rounded outward-swing door, and a built-in bath caddy.

Titan - 35"W x 53"L x 37.5"H

Spaciousness – felt, observed, but most importantly experienced firsthand. Welcome to the Titan – a bariatric wheelchair transfer bathtub like no other, with the broadest seat on the market. Stretch out your legs, and let them rise in the water. Allow your arms to float on its surface. Enjoy effortless accessibility and your bathing independence, in what is quite possibly the most oceanic bathing experience, ever.

Mahalo 27 - 26.75"W x 51.25"L x 41.25"H

To the west, there lies a string of volcanic outcrops in the middle of the ocean. Surrounded by thousands of miles of water in every direction, a faint echo reverberates toward the mainland. “Mahalo.” We can think of no better name for such a thoughtful bathtub specifically tailored to the petite wheelchair user. Enjoy all the features of our Classic Wheelchair Transfer Bathtubs in a size intuitively suited to your body.

Tramo 59 32"W x 59"L x 33"H

In a landscape where we’ve grown accustomed to walk in bathtubs with built in seats, the Tramo comes in as a unique alternative. Roll up your wheelchair, open the door, and slide right in. Finally, a wheelchair-accessible independent bathing experience that recalls the comforts of a full size bathtub, in an effortlessly simple package.
