Bariatric 33 - 33"W x 55"L x 41"H

One size fits (practically) all. Like a comfortable oversized t-shirt, with room to spread out, the Bariatric affords the bathing space we've been looking for. The clear choice for any bather weighing up to 450 pounds, a luxurious bath is well within reach – without worrying about getting in or out of the walk in bathtub. With an 25-1/2 inch wide seat, this high quality gel coat bathtub is in class all its own.

Deep 46" - 30"W x 55"L x 46"H

Appreciation of depth coincides with our understanding of the space surrounding us. Enter the Deep – the most cavernous gel coat fiberglass walk in bathtub we've found. With nearly two whole feet to immerse yourself while seated, this bathtub is the logical choice for tall adults to enjoy a luxurious soak.

Front Entry - 31"W x 38"L x 38"H

Affectionately nicknamed "the cube" at our Chicago office, the Front Entry is an outward swing door walk in bathtub, made for small bathrooms. Whether you're replacing what was once a petite shower stall, getting creative with bathtub placement, or are drawn to symmetrical design – gain back the spaciousness you've been missing, and enjoy.

Lay Down - 30"W x 60"L x 22.25"H

For families of children with special needs, this is the bathtub you've been looking for. While a caregiver may not be able to lift a child into the bathtub once he or she reaches a certain size, the Lay Down allows the child to ease in, or crawl in. While this bathtub may seem a specialty item to some, it's an incredible quality of life upgrade for families and caregivers in need of a little assistance.

Long - 32"W x 60"L x 36"H

When an Ella Authorized Dealer asks for a recommendation of an easy walk in tub remodel, we suggest the Ella Long. With walk in bathtub dimensions of 32" x 59 3/4" x 36", customers can enjoy a near standard sized footprint while still experiencing the luxury of a full height walk in tub. Bathers can stretch out their legs and enjoy the hydrotherapy benefits of a full sized bathtub while remaining safely seated.

Low 3.5" Threshold - 30"W x 51.5"L x 41"H

Sweet, and low down. With one of the most manageable step-in heights we've come across, bathers can practically glide into the walk in bathtub. This 3.5" highly-desirable threshold makes the Low an ideal bathing solution for anyone considering their ongoing ability to both step in – and out of a walk in bathtub.

Small 45" Long - 26"W x 45"L x 38"H

Not far from the hustle and bustle of a familiar east coast metropolis, there lies a street – hall-marked with garden apartments flaunting half-sized doors. Should any of these households wish to bring a walk in bathtub into their home, the Small would be their most logical choice. Well suited for small bathrooms and mobile homes, this uniquely-sized bi-fold door bathtub is the ideal choice when working with tight spaces.

Wheelchair Access - 32"W x 52"L x 41"H

While we offer a diverse selection of widths for our Acrylic outward-swing L-shaped door models, including 26 3/4", 29 3/4", and 35", there is a gap between our ample and king sized models. Enter the Ella Wheelchair Access walk in bathtub. It's 32" width sits between our Ella Classic Wheelchair Transfer and Titan Outward Swing Acrylic walk in bathtubs. This is a great solution for anyone wanting slightly more, or slightly less, space from a wheelchair transfer bathtub with a high quality gel coat finish.
